REMARKS

Paragraph [0058] on page 19, line 26 to page 20, line 4 of the specification of the above application is amended by changing [9] to - - 7 - - to correctly identify the number for the base member. Support for the amendment to the specification is found, among other places, on page 18, lines 24-26 of the specification.

Fig. 1 of the drawing is amended by deleting the number [102] on the left side of Fig. 1 and inserting the number - - 120 - - to correctly identify the separating portion. Support for the amendment to Fig. 1 is found, among other places, in paragraph [0044] on page 15, lines 13-16 of the specification.

The errors in the specification and drawing came to the attention of the undersigned after the Amendment of May 22, 2009 was filed. Based on the forgoing, Applicants respectfully request consideration of, and admission of, the amendments to the specification and to Fig. 1.

Applicants believe the application is in condition for allowance and respectfully request allowance thereof. In the event issues remain, the Examiner is invited to call the undersigned to discuss those issues before further action on this application is taken.

Respectfully submitted,

THE WEBB LAW FIRM
